THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves not step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I--
I took the one less traveled by,
And that has made all the difference.

Spirit

Going into homecoming with the football team at a 6-0 record set the atmosphere for a good turn out for spirit week.

The Pep Club, which sponsors spirit week, set up a contest between classes much like the homecoming float contest. Students dressed up according to the announcements and posters in the halls. It is the time of the year in which students and teachers alike can dress up weird, act crazy, and have lots and lots of fun.

Spirit days consisted of: Monday--crazy sox, t-shirt and hat day. Tuesday--security and pajama day. Wednesday--cowboy and Indian day. Thursday--punk rock day. Friday--blue and gold and button day.

During the annual homecoming pep assembly Miss Lisa Anderson, adviser of the Pep Club, announced that the senior class had won the spirit week contest. Junior class was in second place followed

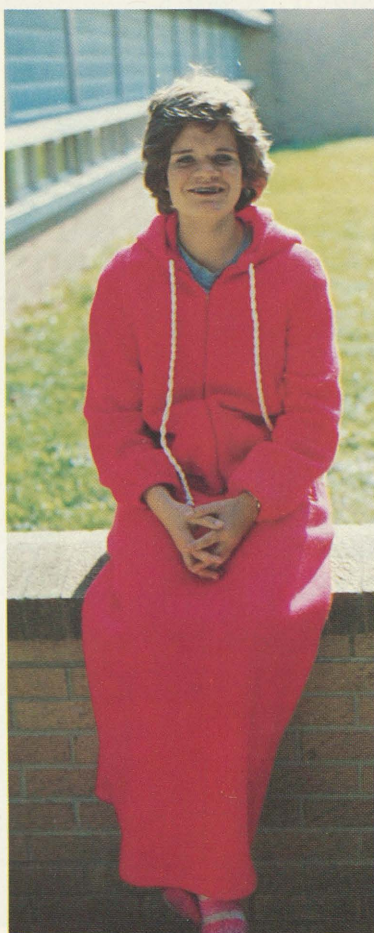

Spells

by the sophomores and last place to the Freshmen class. Mrs. Jan Thomas was awarded a carnation for dressing up every day.

There was a remarkable improvement from the last few years, on both the parts of students and teachers alike. It seemed that when the week came to dress up almost everyone participated to show their school spirit. We hope the enthusiasm continues for a long time!

Michelle Stiles, Ed Mason, Miss Anderson, Carla Holmes all dressed for pajama day.

Record Breaking Crowd

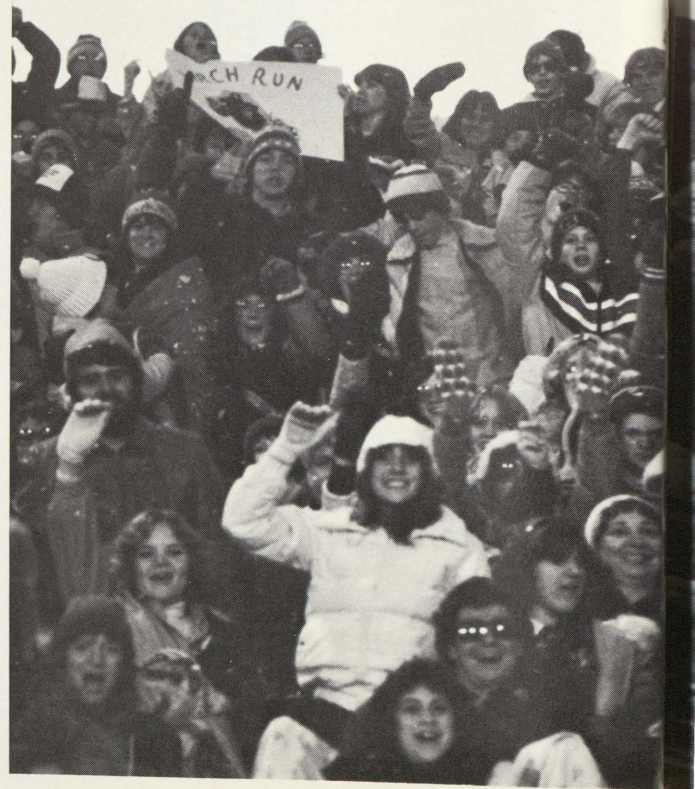

Despite the cold and windy weather and inadequate seating, nearly five thousand people attended the homecoming game Friday, October 23 against Frankenmuth.

Homecoming festivities began with a dedication of "Another One Bites the Dust" over the intercom from the cheerleaders to the varsity football players just prior to the pep assembly.

The large number of students attending the pep assembly prompted the cheerleaders to pull out two more sections of bleachers, an infrequent occurrence at assemblies. The cheerleaders and pom pon girls performed routines to the school song to begin the program. After the crowd settled down, the new athletic director and coach, Frank Holes, gave a pep talk. The pom pon squad then performed a routine to "Tough Guys". Miss Lisa Anderson, Pep Club advisor, announced the Senior class had won the spirit week contest and Mrs. Jan Thomas was awarded a carnation for showing her school spirit by dressing up every day of the week. "Run Around Sue" was a special treat played by the Pep Band, while many students joined in by doing the twist on the floor of the gymnasium. The Junior class was victorious in the spirit contest. Ending the assembly, the cheerleaders and pom pon squads performed a routine to the school song.

Evening festivities kicked off with the traditional homecoming parade, organized by the Student Council. Parade Marshall was Steve Januszewski. Participants not only included homecoming court, class floats, band the traditional entries, but National Honor Society also dressed as clowns and distributed balloons.

Homecoming Queen

(continued from page 6)

Pre-game began as the pom pon squad presented their routine to "Just Can't Wait". The Band performed its regular pre-game show.

Half time show began with the Band taking the field playing the school song. The annual float line-up depicted the homecoming theme "Breakfast Cereals". Freshmen class chose Captain Crunch and the theme "Crunch Those Eagles," while Sophomores chose BooBerry and the motto "We're Gonna Berry 'Em". "Magically Victorious" was the theme picked by the Juniors depicting their cereal choice, Lucky Charms. Froot Loops was selected by the Seniors and their theme was "Knock 'Em for a Loop". The highly coveted Float Jug was presented to the Class of 1983. Debbie Wenn, Junior class Vice-President accepted the jug from Student Council President, Cindy Gibson.

The key portion of the homecoming half time is the crowning of the homecoming queen. The court consisted of Diane Zoromski, Carrie Tanner, Chris Switalski, Michelle Lynch and Renee Allison. Mr. Gilbert Berg, President of the Birch Run Board of Education, crowned the 1981-82 homecoming queen chosen by the students of BR. . .Miss Chris Switalski.

The only disappointment of the evening came when the Panthers bowed to the Eagles by a score of 27-0.

Student Council organized the homecoming dance which capped the evening's festivities. Music was provided by D & G Productions.

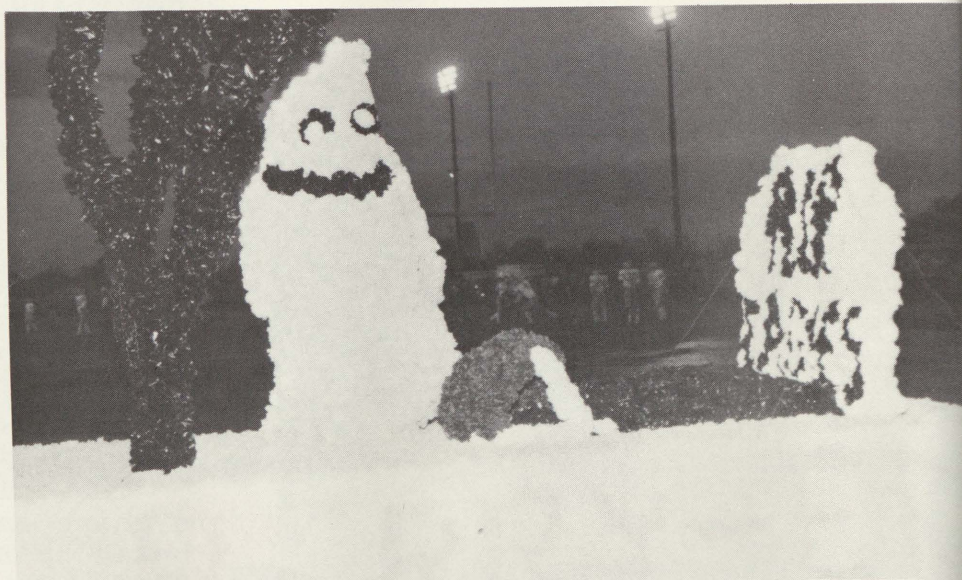

Juniors' Float

"Panther charm is what we've got, We'll get those Eagles on the spot, Birch Run Panthers are number one, But don't forget . . . we've just begun! 'Magically Victorious' is what we'll be, We're the class of '83. P.S. The work we've done has spread for miles, We gratefully thank you, Mrs. Stiles!"

This was the Juniors' poem that accompanied their float. The work done captured the judges' votes and made the class of 1983 the homecoming float jug champions. The float jug was awarded to the Junior class vice-president, Debbie Wenn by Student Council president, Cindy Gibson.

It is tradition at Birch Run that each year classes are in competition with one another in the building of floats. Floats appear according to the theme established by Student Council. The theme this year was "Breakfast Cereals".

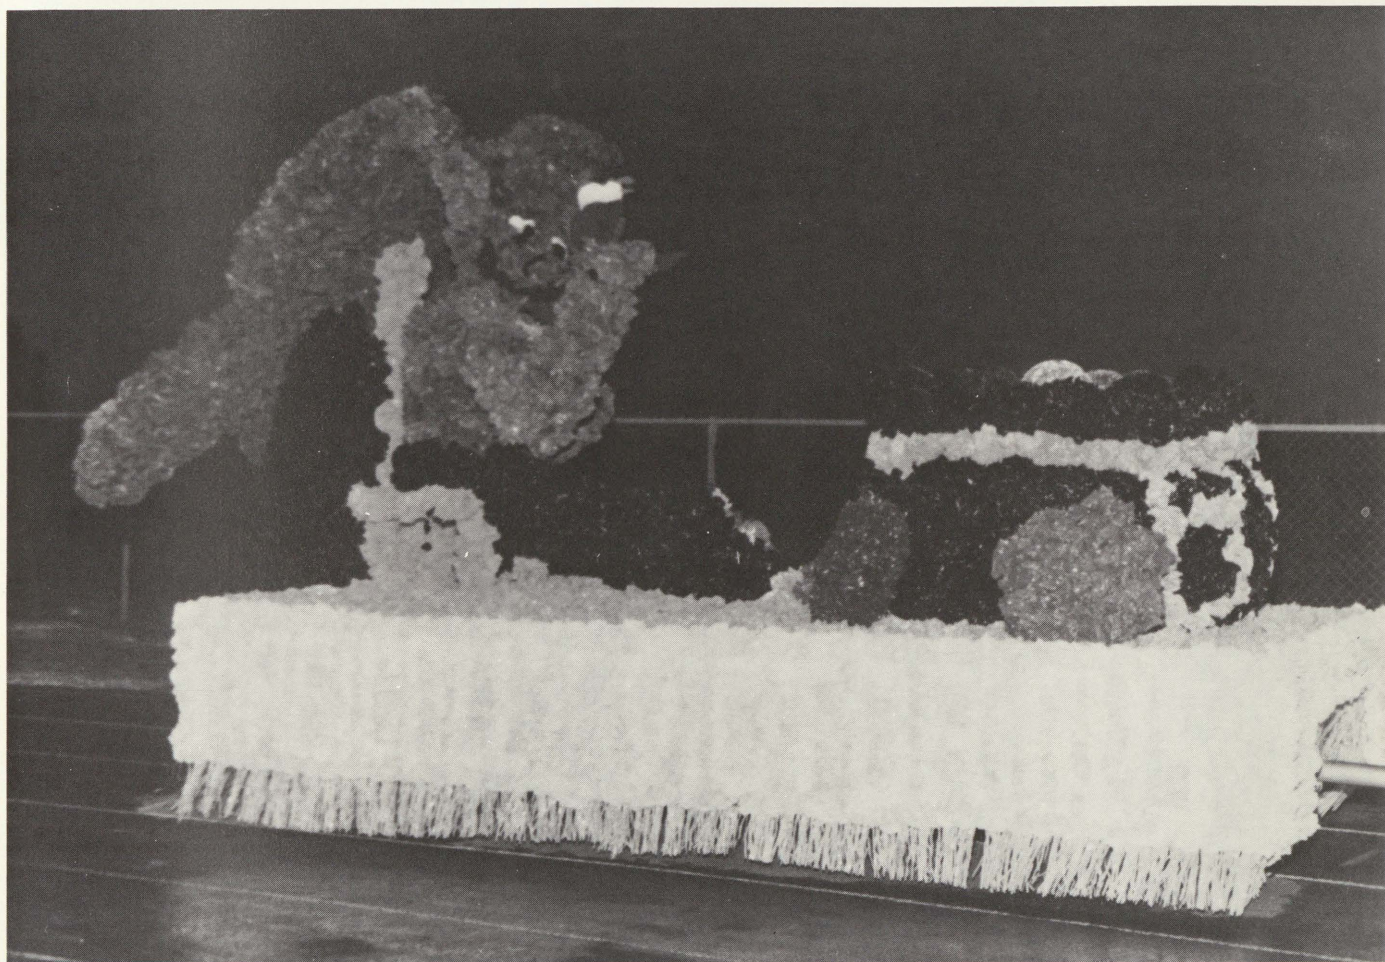

The floats are judged according to their appropriateness of theme, originality of thought, care in workmanship and completeness.

Upper left and Clockwise: Steve Januszewski, Michelle Harris, and Junior vice president Debbie Wenn proudly show off the float jug as the homecoming crowd watches. Lucky Charms, with the theme "Magically Victor-

ious" was chosen by the Juniors. Captain Crunch made by the Freshmen with the theme "Crunch those Eagles". Seniors choose Froot loops with the theme "Knock 'Em for a Loop". "Berry 'Em" was selected by the Sophomores using the cereal Boo Berry.

Charm Judges

Sophomores Choose Sweetheart

Valentine's Day means hearts, flowers, cards and candy. However, to the Sophomore class of Birch Run High School, it means choosing their Sweetheart.

The top five finalists and their escorts were Julie Medina and Dean Johnson, Diane DeKalita and Frank Huber, Sue Zoromski and Kevin Leitz, Holly Kern and John Wolverton, and Donna Shappee and Dan Steepe.

When the votes were counted Sue Zoromski had been selected by the Sophomore class for their Sweetheart. This class also sponsored the Sweetheart Dance

which was held on Saturday, February 13 with music provided by 106 fm. Sue was crowned at the dance by last year's Sweetheart, Wendy Klein.

Sue commented, "I couldn't believe it. I was excited; it was like a dream."

Cords and Cowls

Outstanding students of the school were honored on Tuesday, June 1 in the high school gymnasium at the traditional Honors Night. Beginning the ceremony, seniors who were graduating academically in the upper ranks of their class were recognized through the awarding of honor cords and cowls. Cum laude graduates, those students who had achieved an overall grade point average of 3.0 - 3.5, were presented with gold honor cords to wear during Baccalaureate and Commencement exercises. Magna Cum Laude seniors who had earned a grade point average of 3.5 - 3.75 were given blue honor cowls and Summa Cum Laude graduates whose grade point averages were 3.75 - 4.0 had gold honor cowls bestowed upon them.

Miss Pam Kurtz recognized the members of our National Honor Society for the 81-82 year. Through the hard work and dedication of these outstanding students, NHS had one of its most successful years in terms of participation by its members and service projects completed. The club was also presented a certificate of achievement from the V.F.W. Ladies' Auxiliary for the sponsoring of a canned food drive for needy families. The food collected was distributed to 11 area families at Christmastime.

Inspiration To Seniors

The Baccalaureate service began with the Seniors entering the gymnasium to Pomp and Circumstance. The service was held on Sunday, June 6, 1982 at one o'clock in the afternoon.

Renee Allison opened the ceremony with an invocation prayer. Stacy Solinski and Diane Zoromski the preformed "Ode to Joy" by Ludwig van Beethoven.

The address was given by Rev. Ray Reuckert. The theme for the address was "The Great Pearl of Life". Immediately following "Climb

Ev'ry Mountain".

Brian Krauss concluded the service with the benediction. Recessional music was again played by Stacy and Diane. The ushers for Baccalaureate were Patty Cooper, Joanne Dundas, Michelle Harris, and Denise Hensel.

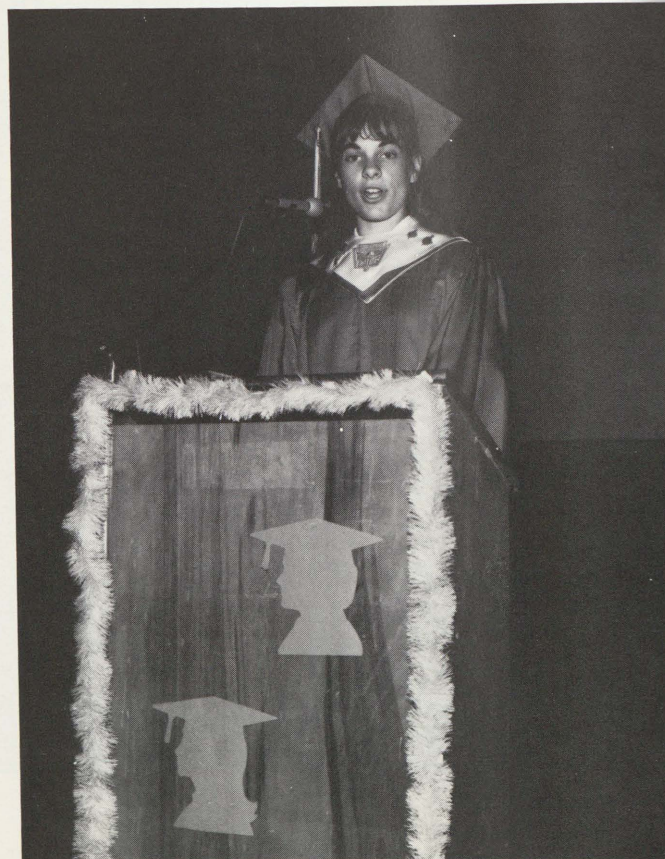

Orators urge classmates

Four members of the graduating class, chosen for the prestigious honor of being Class Orator, urged their fellow classmates to "build bright tomorrows" during Commencement exercises held Thursday evening, June 10. An extension of the speeches prepared by the orators was the class theme:

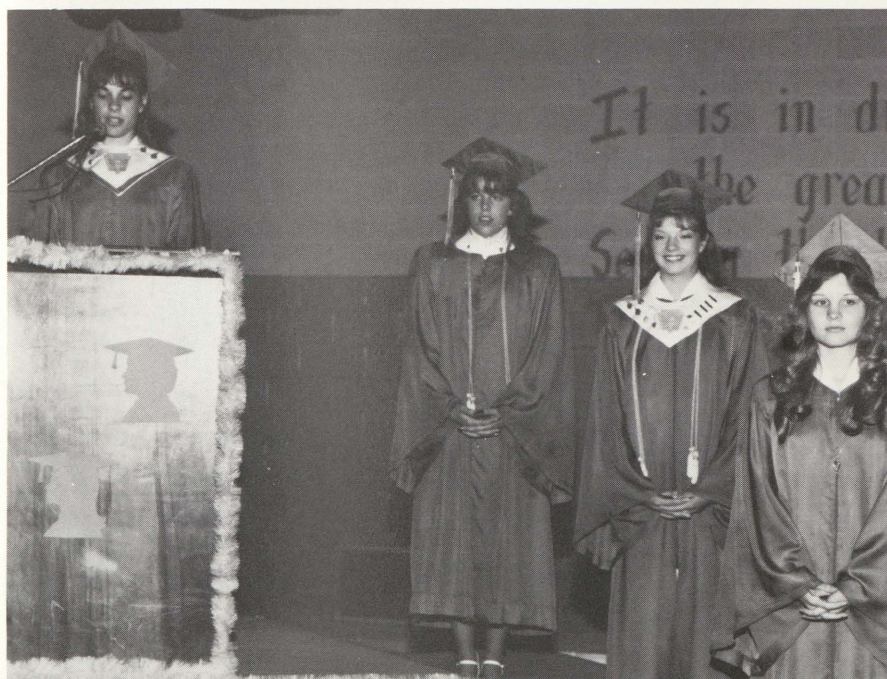

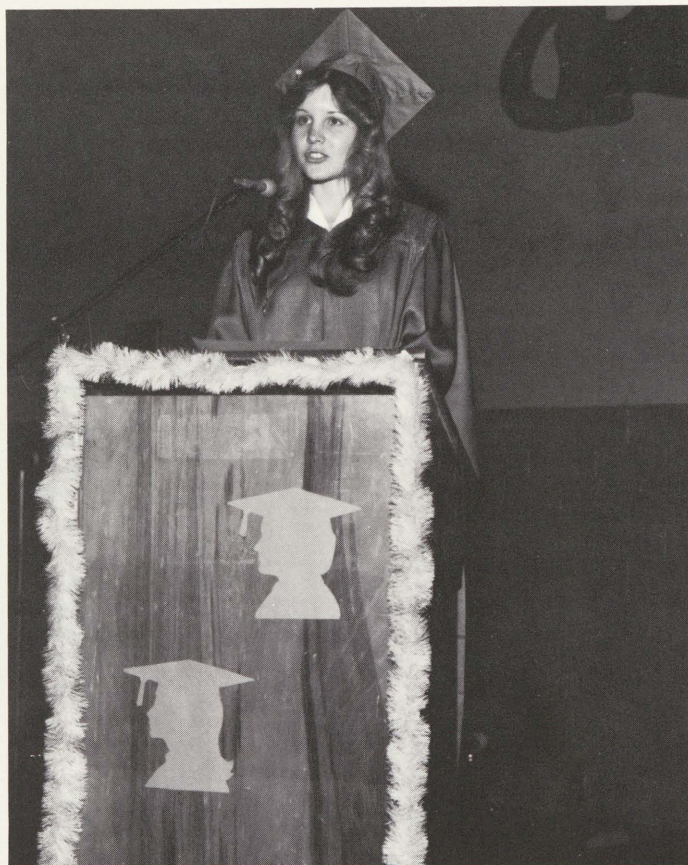

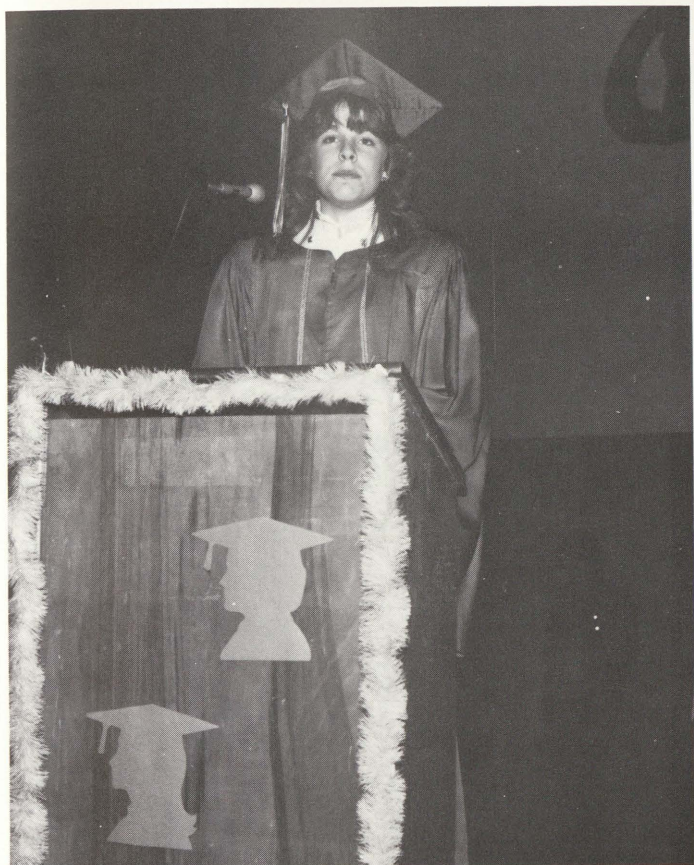

"It is in dreaming the greatest dreams,
Seeking the highest goals---
That we build the brightest tomorrows."

Unlike the tradition of most high schools where the valedictorian and salutatorian are awarded the opportunity to address their classmates on Commencement evening, our school grants the privilege to four members of the class chosen by a panel of faculty members. Orators are chosen for the clarity and sincerity of their speeches as well as for their presentation of the material. Orators who delivered messages to their classmates in 1982 were Irene Vitany, Carrie Tanner, Kelly Moody and Stacy Solinski.

honor graduates

As always, tradition dictated the Commencement ceremonies held to honor the 1982 graduates of Birch Run High School. Seniors entered the gymnasium at 7:30 pm on Thursday, June 10 to the familiar strains of "Pomp and Circumstance". Gilbert V. Berg, Sr., President of the School Board, delivered the invocation. Messages to the graduates were delivered by Class Orators Kelly Moody, Stacy Solinski, Carrie Tanner and Irene Vitany. (see pages 44-45)

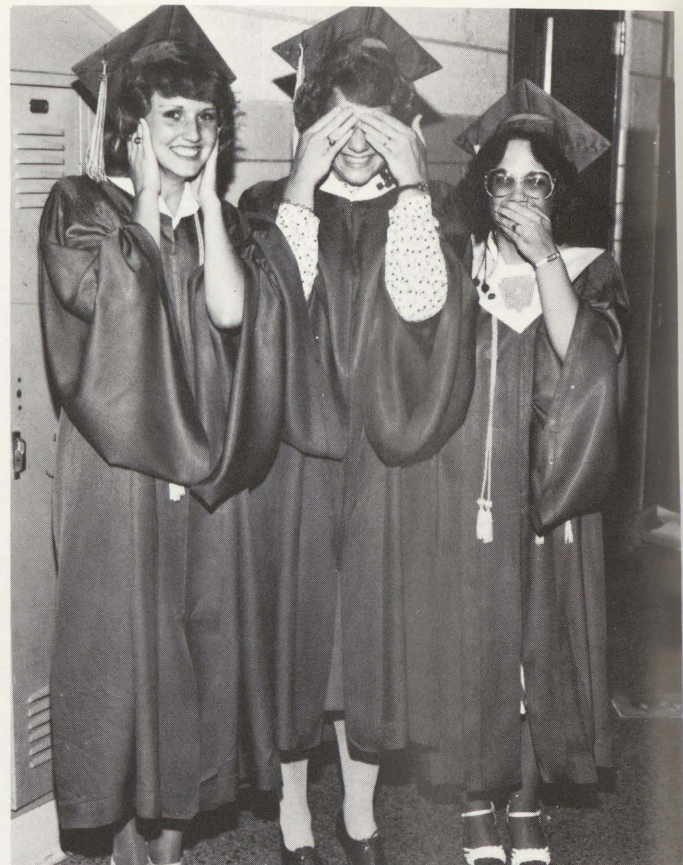

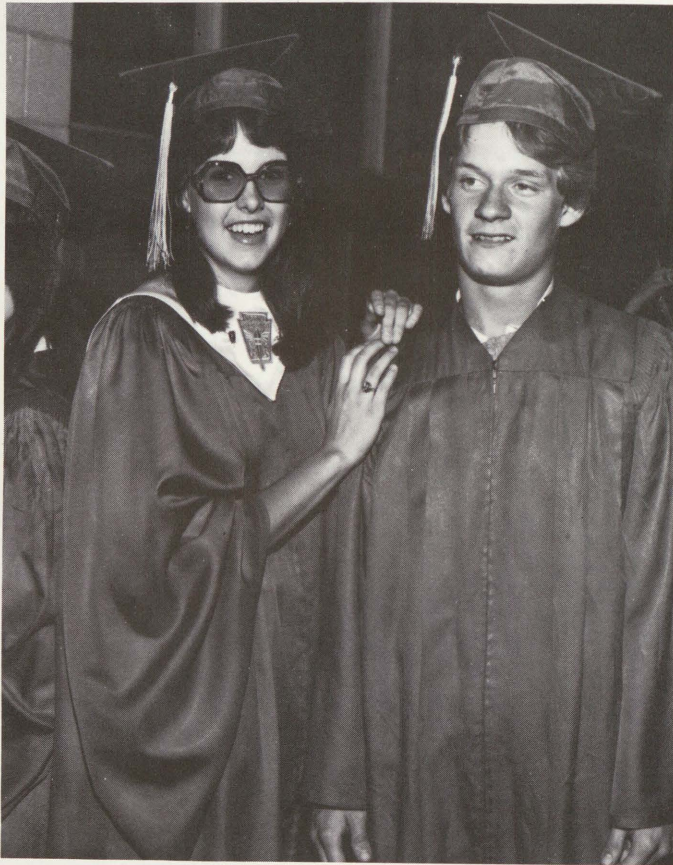

Presentation of the diplomas was made by Ila M. Davis and Irving A. Kime, members of the Board of Education as names were announced by Class President Rich Louchart. Mrs. Davis also presented the Benediction.

Serving as ushers for the event were Juniors Jill Bair, Mary Beam, Dawn Eichenhofer, Tammy Jones, Karla Spindler and Kathy Worden. Music was provided by the Concert Band.

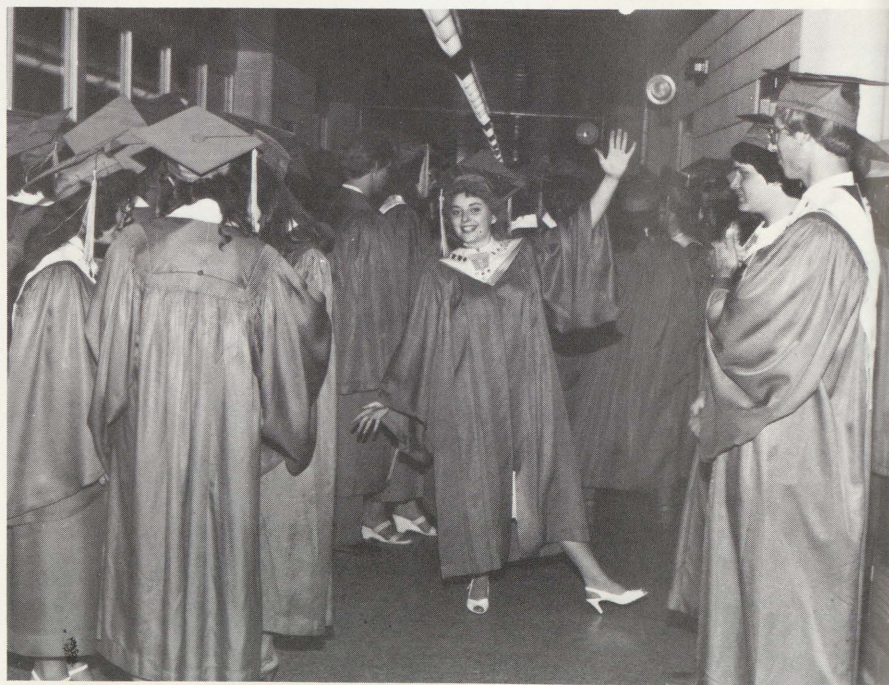

Many tears were shed and moments remembered as the 176 friends and classmates became alumni--and moved on to the "brightest tomorrows" ahead.

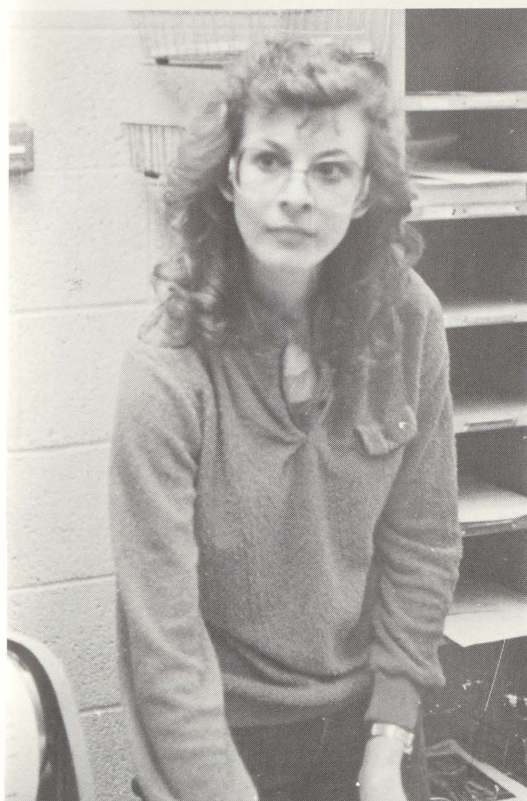

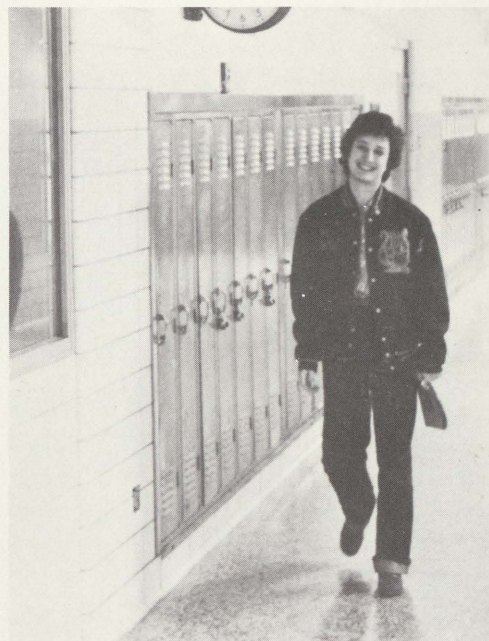

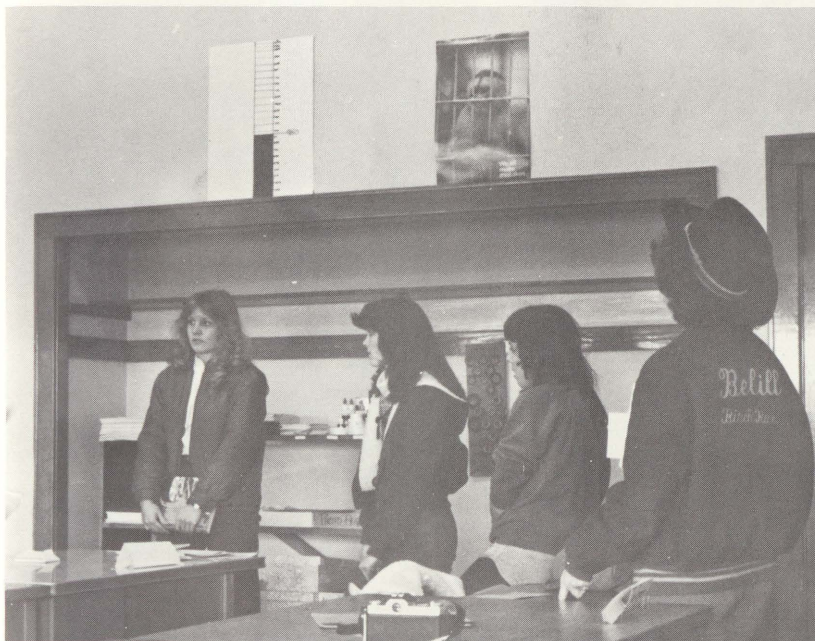

Recapping

39 Students Inducted

On April 5, 1982, 39 students were inducted into the Birch Run chapter of the National Honor Society. We are proud to say that the 81-strong academic guild is the biggest and best organized club in the school.

To obtain this, members must live up to tough standards. One of them being able to obtain and maintain a 3.25 grade point average. They also must be involved in other areas of the school and community, and live up to the National Honor Society's values of character, leadership, scholarship, and service.

The officers for this year were: President Sheila Polzin, Vice-President Irene Vitany, Secretary Teresa Magnus, and Treasurer Diane Zoromski. If it hadn't been for the outstanding performances of these officers and their advisor, Ms. Kurtz, NHS in our school system would not be where it is today. Also a special thanks goes out to other members involved and a congratulations to those recently inducted from the yearbook staff.

Snowcoming King

Brian Irish had his Irish luck with him when he won Snowcoming King. The Snowcoming Court included Julio Medina with escort Dawn Wroubel, Terry Tanner with Michelle Lynch, John Wolverton with Holly Kern, Vince May with Kim Green and the King himself, Brian Irish escorted by Linda Medina.

This was the first annual Snowcoming dance sponsored by the National Honor Society. Due to the winter storm, attendance at the dance was hampered. In fact, our own photographer was snowbound. Thanks to the Golden Torch photographers for these pictures.

When It Comes To Making *"Almost Anything Goes"*

Upper left and clockwise: The Class of '83's team waits eagerly to eat their marshmallows. Even though Rita Schomaker didn't participate in the pie-eating contest, she decided to join in the fun anyway! Miss Anderson leisurely enjoys her marshmallow. Shades of Helen Keller as Jana Foy tries to feed Phil Periard chocolate pudding. Tim Moody's table manners could stand improvement, but he sure knows how to eat a cherry pie!

Money

When it came to making money, the National Honor Society decided to let almost anything go. And so they did in the third annual scholarship fund raiser "Almost Anything Goes". As in previous year, the olympic-like games consisted of five teams competing in ten different events.

This year's events were: The **obstacle course**, marshmallow eating, pie eating, blind-feeding, blind-leading-the-blind, the tire roll, Aunt Jehmimah relay, pop bottle/hoop game, dunking for life savers, and the dreaded "Escape from Alcatraz".

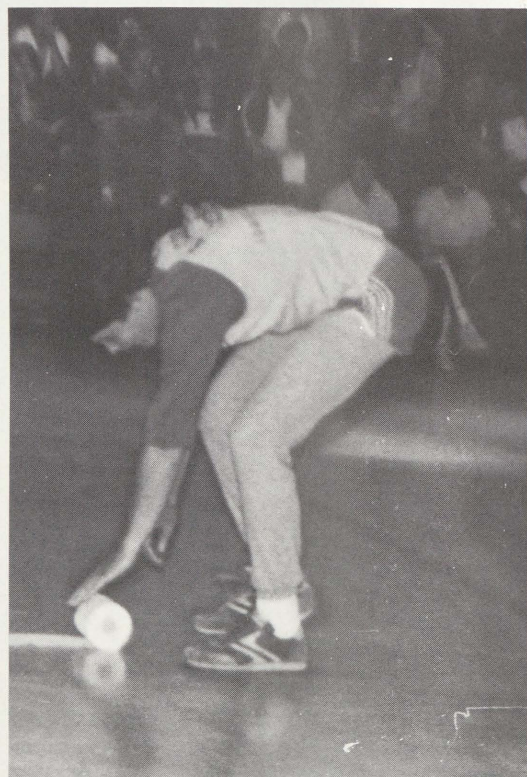

This year's winners were the defending champions, the Class of '82, followed closely by the Class of '84, then the Class of '83 in hot pursuit, leaving the Class of '85 with fourth place.

Not only has NHS sponsored the "Almost Anything Goes" this year, but also many other events and fund raisers. They sponsored three dances, fasted for world hunger, jumped rope for heart, and collected food at Christmas for shut-ins, just to name a few.

Obviously, much thought and planning went into events like this. Which just goes to show, that when you put your mind to it, "almost anything goes".

Clockwise: Chris Ray, of the Freshmen Team, eagerly awaits for the starting gun. The Teachers Team looks on as Mrs. Hrabec tries to feed Ms. Anderson. Ed Cook really knows how to handle toilet paper, as he finishes a leg in the obstacle course.

Panther Fever Strikes...

Pep Club Gets a "Shot in the Arm"

The BRHS Pep Club definately caught a good 'ole case of Panther Fever. As the football team led the school on the field with win upon win, so did the Pep Club do in the school. And as homecoming rolled around, it was evident that school spirit had reached an all-time high.

The Pep Club helped in achieving this through its activities for this year. Some of them were: Being in the homecoming parade, making spirit posters, selling spirit posters and carnations for homecoming, and selling class numbers.

While all this was going on, the Pep Club grew to become one of the biggest clubs in the school. It was evident to see that finally Panther Fever has caught on, and may it reach epidemic proportions next year.

Members for this year were: 5th Row: Lisa Koon, Pam Brown, Cindy Irish, Kim Reyna, Lupe Cabello, and Liz Glaser. 4th Row: Colleen Haley, Racheal Harpst, Mandy Kretz, Wendy Munson, Jennifer Stien, Denise Hensel, Ann Meader, Dawn Wroubel, Shelli Belill, and Kelley Lewis. 3rd Row: Terese Gibson, Jackie Bullard, Karla Kelsey, Candi Bouck, Debbie Wenn, Kelly Moody, Debbie Neeley, Tammy Weston, and Mary Szarenski. 2nd Row: Dawn Ayling, Heidii Munson, Joanne Dundas, Kevin Raymond, Michelles Stiles, Mary Beam, Michelle Hensel, Tracy Kracko, and Peggy Mikac. 1st Row: Sue Zoromski, Kim McCormack, Diane Zoromski, Terri Lee, Sharon Close, Dana Periard, Donna Shappee, Holly Kern, and Nancy Van Ness.

Homecoming!!

Who sponsors the biggest event of the school year? Who else but the Student Council.

Homecoming festivities and the Christmas dance are some events the Student Council sponsors.

The Student Council is a group of students who represents the student body. The members are elected by their classes.

Seniors

FREEZE

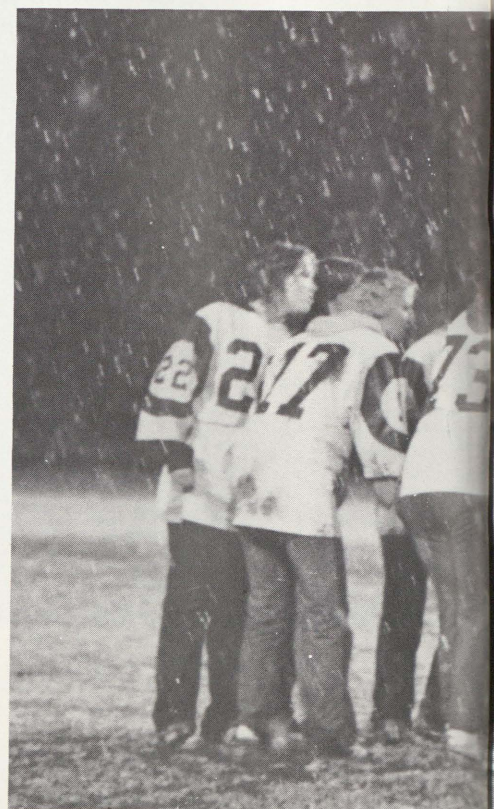

Through sleet and snow, rain and hail, the Seniors tackled the Juniors by a score of 22-0 in the annual Powder Puff Football game.

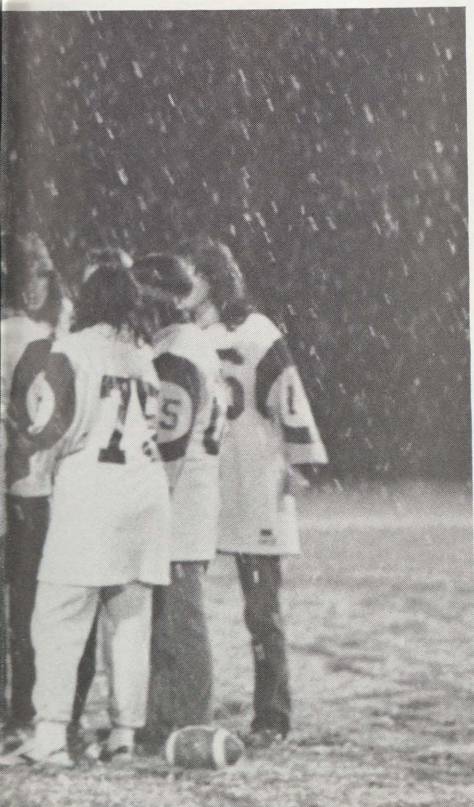

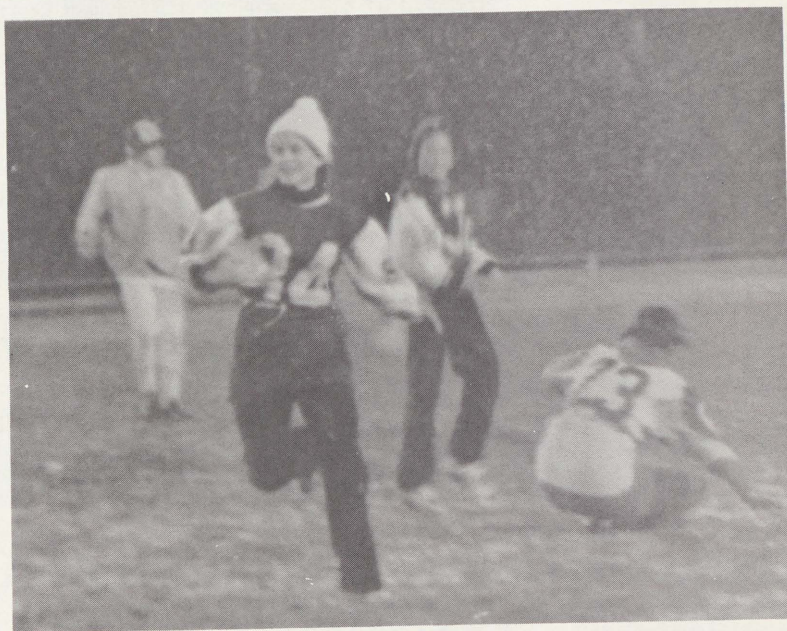

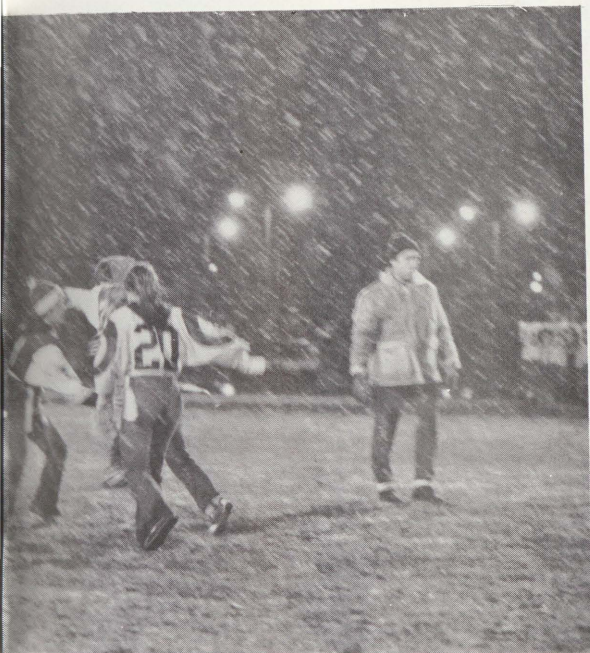

Every year, the Junior/Senior girls play flag football, while a group of guys "cheerlead", stirring up spirit for an excellent game.

On the Senior team, Chris Switalski went all out to contribute to their 22-0 score and made two touchdowns. Lynn Harpst made another, helping their class finally spell out VICTORY!

Congratulations, Class of 1982!

Run Smoothly

Making school days run smoothly is what office assistants do.

Some of the jobs the assistants do are pick up absentee slips from classrooms, record absences on summary sheets, file, answer the telephone, deliver messages, and they also help Mr. Jakiemiec.

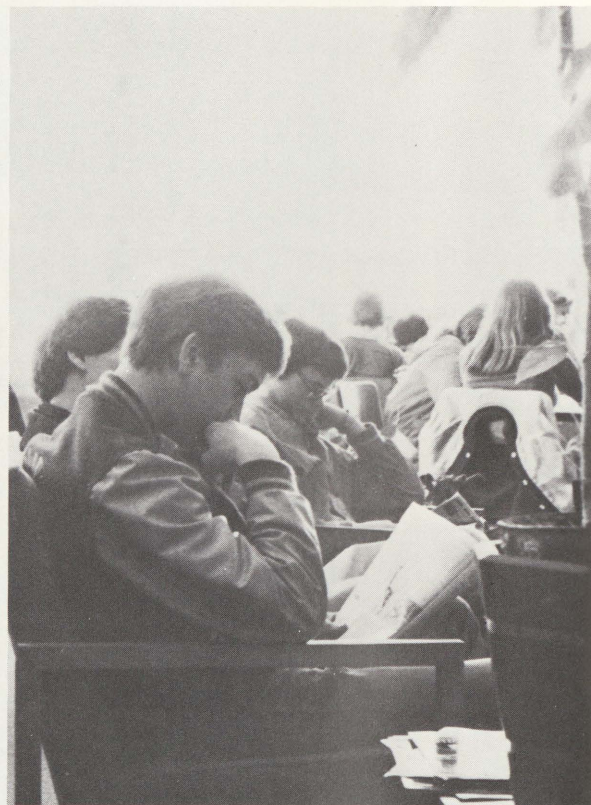

The rules for being an office assistant are to be able to keep certain information confidential, and an excellent attendance record.

To become an office assistant and help school days run smoothly, just make your request known to Mrs. Leppien, the advisor of the assistants, then advise Miss Goldstein, or Mr. Telgenhof, and then if permission is given and your schedule will accomodate it, you may have the job.

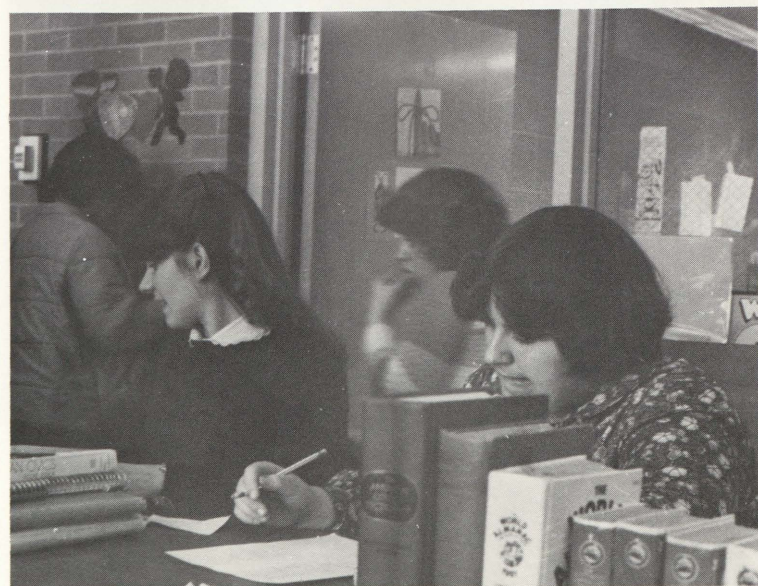

BRHS Library's Helping *Making "No Work" Research*

Thanks to the library assistants' helping hands, BRHS students have been able to enjoy "no work" research. Due to the assistants, the library is kept organized so that all on-hand research is easy to find. No more cross-referencing. No more not knowing where to start. Now all you have to do is look up the subject desired, find the number of the book, and then look it up on the shelf.

If you have any problems with this, there are at least two assistants on hand at all times. Some other duties performed by them, besides in the research department, are checking in and out, keeping the current event file up to date, and making sure the card catalog is in order. Though it may look like a "cushy" job, the BRHS's library's helping hands have their work cut out for them. It may result in "no work" research, but it means a lot for those involved.

Hands *Possible*

Steve Row sorting films. Mr. Southerland and Irene Vitany taking inventory.

Media To Us

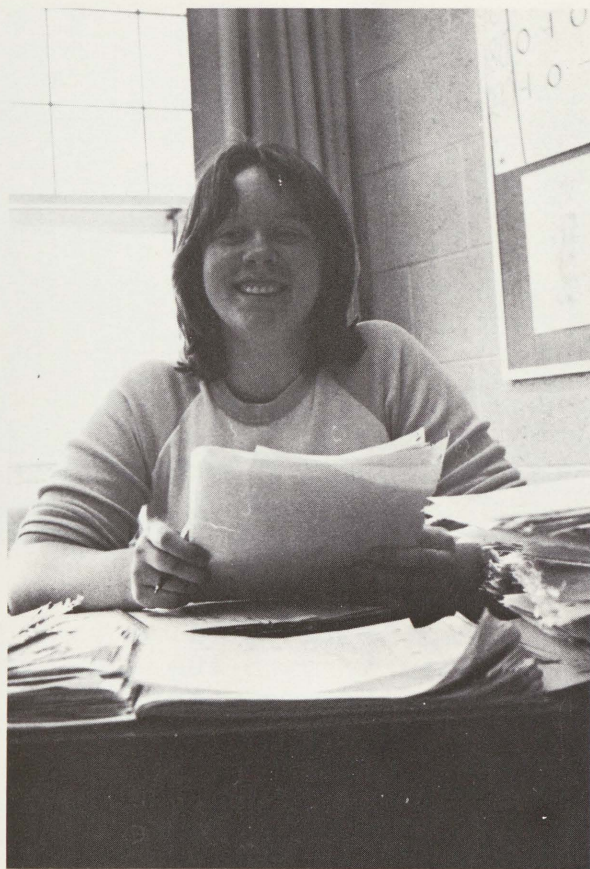

Bringing media to us is a job performed by both the audio-visual and bookroom assistants.

Checking, collecting, sending and delivering films and equipment, knowing how to operate the equipment and, most importantly, how to change a lampbulb in a film projector when it burns out in the middle of a movie is what being an a.v. assistant is all about.

Checking books in and out, repairing them, taking inventory, filling out purchase orders and secretarial tasks are some of the work bookroom helpers do.

Mr. Martin has been the director for audio-visual for more years "than he'd care to tell." The advisor of the bookroom, Mr. Sutherland, has been here for 2 years.

Students Experience Benefits **Could You "Make the Grade"?**

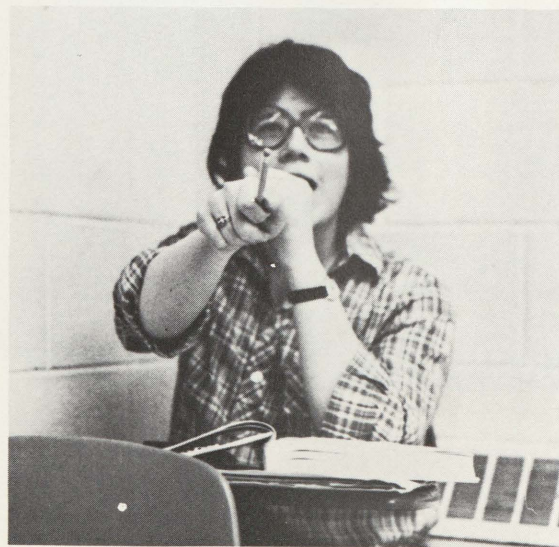

Ever wonder how teachers ever wanted to become teachers? If you looked into the average classroom today you'd probably consider them a little insane-- until you realize the benefits teachers get from their profession. Some of these are: One-on-one relationships and seeing students succeed.

At Birch Run High School you can experience these benefits first-hand through FTA. The Future Teachers of America club works with cadet teaching in the lower levels.

Cadet Teachers are sent into approximately twelve classes to help with correcting papers, tutoring, and typing.

From here students interested in teaching can see if they hack it or not. If they decide they want to go on with their teaching career starting this year a scholarship program will be introduced to "further their education" in this field.

If you've ever wondered if you could "make the grade" as a teacher, check out the FTA.

First-hand

"A friend in need is a friend indeed" and the Future Homemakers of America are certainly friends to those in need.

For the past four years the chess club has obtained dominance in their division. Since it was formed in 1978, the team has progressed until they now hold the league title and rank 7th in the state.

Every year the team has improved and looks like it will continue to do so. Even at the beginning of this season, Coach Schiepek said that his Panthers were a good team and believes that if they were good this year they will be for next.

This season's toughest match was against the Clio team when they lost the 1st match 2-3 and then came back to win the second 3-2.

Only Ken Fee will be departing the team this year, leaving them still with such fine players as Juniors Brian Forester and Bob King, plus Sophomore Shawn Miller.

Even though the team was winning this year, not much student spirit was shown toward it. So just remember, to some, chess can be fun, too!

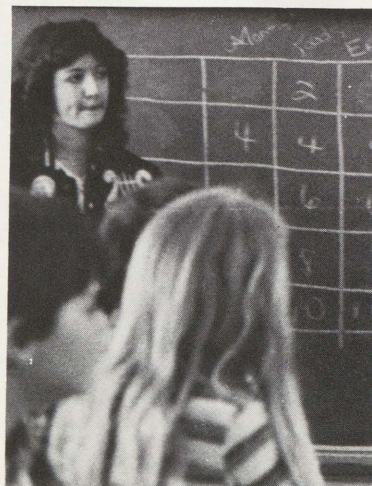

¿Puede Usted Hablar Español? *'Elementary Students Can!'*

Can you speak Spanish? Thanks to the BRHS Spanish Club, local elementary students can. For the past few years, students in Spanish Two and Three have been eligible to join the club. Here, they go on to teach Spanish to students in the lower levels, usually third and fourth grades.

Students are then taught the basics of the language and some of the Spanish history and culture. By teaching students at this level, it allows them to become bilingual. At this time this is important knowledge, since more and more Spanish speaking families are moving into this area.

Not only that, but the high school students gain a lot from the program also. Here is a training ground for future careers: elementary school teacher, language professor, social worker, or translator. All these professions and more are experienced through Spanish Club. In the end it could be through this club that the student's final career decision is made.

So if you can answer "NO" to the question asked above---maybe it's time you learned---and checked out the Spanish club.

Competition

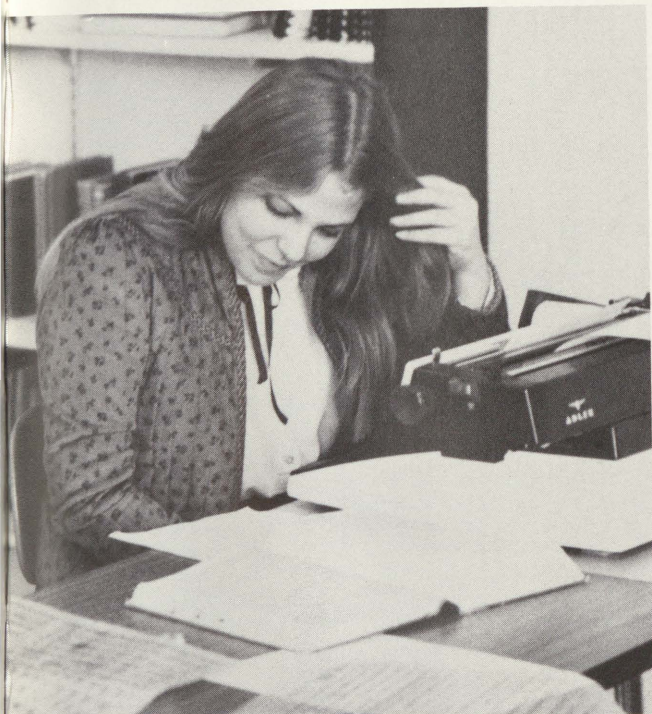

The Birch Run Craftsmen hammered out all competition at this year's Regional Craftsmen Fair. Of all the members of Industrial Arts, ten competed in the grueling competition to capture a spot in the State Fair. Out of these ten, four made it to the state level.

Senior Pat Cherry was able to go on to the state competition by placing first in his division with his maple and walnut electric guitar. Along with his win, was Sophomore Andrew Beckman with his Queen Anne's Corner Cabinet. Beckman went on to capture the Grand Award in the 9/10 division. Others who were able to go on to the state level were Senior Doyle Raymond and Sophomore Brook Birkenmeier with their second place winning exhibits.

On the state level, Senior Pat Cherry took a seventh in his division, while Sophomore Andrew Beckman took home a fifth. So a warning to all the other Industrial Art teams in the state, we're gonna maul ya!

Through the years, Mr. Reed has worked hard with the cooperation of the band members, to add musical spirit to our school.

The Chorus class always puts their strongest voices forward each and every time they perform--whether it be Fall, Winter, or Spring.

The Vocallaires, as they are otherwise know, put on several concerts at Christmas, and again in the Spring. They also go to the area convalescent homes and spread their cheer for the older folks.

They have SIX big problems six unmarried daughters. The third daughter, Juney Lou, wants to marry Harold Upschlager, but Maw says that none of the girls can get married until Ceelie, who is already 19 years old, and Bonnie May, who is 16, are married off.

Millage Threat

Brings Home 3rd Place State Trophy

Last year, the future of the Forensics team was looking rather grim, for we were faced with the 1981 millage elections. Many classes and activities were to be cut if the millage didn't pass, and Forensics was to be one of them. Most everybody was counting on it not passing, but with the help of the SOS Committee (Save Our Schools), it did, and the Forensics team was saved.

After surviving the threat of the millage, this year was an excellent one for the Forensics team. Out of five tournaments entered, Birch Run took first place three times and third place twice, always making it in the top three.

Eight Panther speakers advanced to the top level of competition at the State Forensics tournament held at the University of Michigan in Ann Arbor. Representing Birch Run were Seniors Kim Belill, Heidii Munson, Carrie Tanner and Sheryl Crane. Participating Junior was Joanne Dundas, while Sophomore Angie Miller and Freshmen Monika Matzke

(continued on page 128)

and Tammy Dennings also displayed their talents. Bringing home individual 3rd place trophies were Carrie Tanner in Oratory and Joanne Dundas in Storytelling. Although the other speakers did not bring home individual trophies, their points, accumulated in preliminary rounds in the meet, assured Birch Run of a 3rd Place title in the state for class B.

Team trophies have been awarded at the State level only since 1978. "We should be very proud that in four years of participation, we have brought to BR three trophies," commented team coach Mr. Shephard. Birch Run placed first in State competition during the 1978-79 and 1979-80 seasons.

WINS AGAIN !!

On April 19, the Michigan Interscholastic Press Association held their annual workshop at CMU for yearbook and journalism. Awards were given for prize winning yearbooks and school newspapers.

This year, two members of The Golden Torch staff were awarded for their outstanding performance as journalists. Again, Senior Nancy Van Ness won second place for best feature photograph. Junior Denise Pease was awarded honorable mention for her feature column, "You Name It."

Mr. Mike Murphy has been The Golden Torch advisor for the last three years and says that the paper has been winning since before then. "Overall, I was pleased with the outcome of the MIPA awards," said Mr. Murphy. "There were a few other people that deserved to win and I feel they have a good chance next year. Nancy Van Ness is an outstanding photographer, and Denise Pease is a very good journalist, also. I wish the best of luck to both of them."

The Golden Torch is always trying to improve. They're now considering converting over to tabloid form; but, as of now, nothing is definite. However, we are confident that The Golden Torch will continue to uphold its history of excellence in the years to come.

THOSE WHO EXPRESS

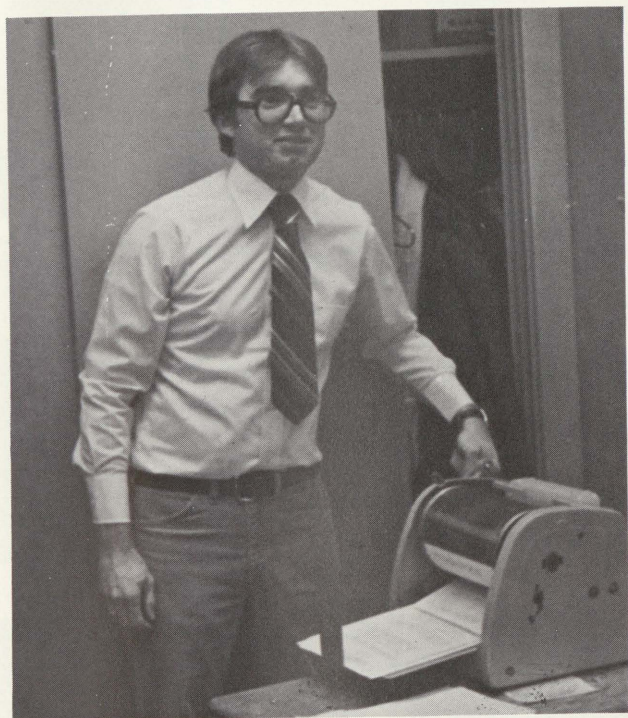

Did you ever dream about writing your own book? About being a best-selling author? About seeing your script in a play or movie? If you have often felt the urge to create a lasting piece of literature, whether it be a poem, story or play, "Impetus" may be just the thing for you. This year, 21 students participated in the authoring, producing, publishing and selling of a magazine showcase of the creative efforts of budding authors. Students who are interested in becoming a member of the "Impetus" staff need only have the desire to "express the creative urge" and be willing to work for the club's product.

"Impetus" contains a variety of items about a variety of topics, everything from science fiction stories to small love poems. The magazine is published twice each year, once in the fall and again in the spring. Copies this year sold for only 25¢.

If you would like to write for publication and see your ideas in concrete form--consider "Impetus". Or, if you're like many of us and simply enjoy the works of others, be sure to watch for future issues of "Impetus". Who knows? There may be a future John Steinbeck or Judy Blume among us.

About Face

When your heart is heavy,
and your eyes are downcast,
when your soul feels too tired to live,
keep in mind that the pain will pass.
Sorrow, though bitter, shall fade.

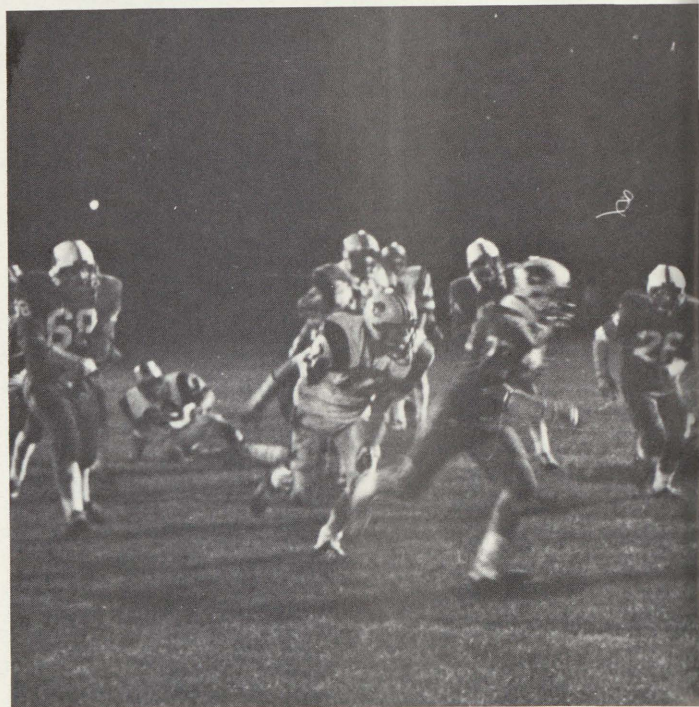

It may not seem fair that
Life's problems should fall on you.
But since they did,
accept them as a challenge
and a problem to solve.
Allow no one to tell you not to cry at your pains.
Tears are a sign of the tender emotions within you.
They need to be released once in awhile.

Remember sorrow will always
fall easier than happiness.
When you find a joy, however,
it shall be more powerful
than any sorrow you have ever felt.

And remember, now you understand the world
a little better than you did yesterday.

New Coach Turns Tide To a 7-2 Season

"Some holes are deep and some holes are shallow but our Mr. Holes is a real nice fellow", read one of the banners along the hall during football season. "Our Mr. Holes" is the new Athletic Director and Head football coach at BR.

A graduate of Northern Michigan University,

Mr. Frank Holes majored in physical education and minored in English. He has coached football at Marquette, Athens, Baraga and East Jordon a total of 10 years. He has also coached basketball, baseball, track and wrestling.

To inspire Br spirit Mr. Holes told the football players that as long as they kept on winning he would wear his shorts during the games. He did, too. Even at a temperature of 46°.

Assisting Coach Holes as he lead the Panthers to an overall 7-2 record were Mr. Callahan and Mr. Ricard.

Gridders Turn a "Cinderella Season", 7-2

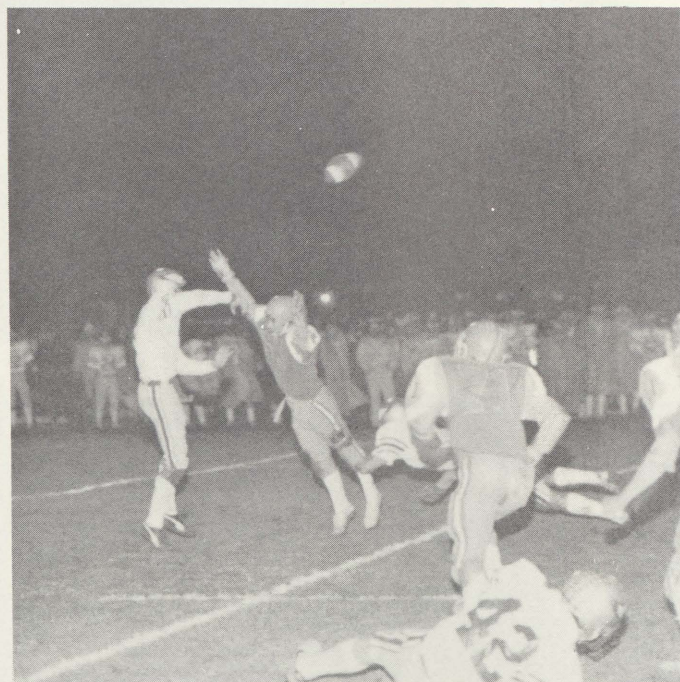

Fans of the varsity football team knew the fairy godmother arrived in Birch Run as the Panthers scored two safeties in the first quarter of the season opener against the Hamady Hawks. This win proved very encouraging as the team went on to win the next 5 games. The last win in this streak was a thriller as the Panthers pawed their way through a tough game against the Millington Cardinals.

In the game which may have paved the way for a TVC title for either team, the Panthers scored a TD under the pressure of the clock. . .only 15 seconds remaining in the game.

The Panthers' golden coach turned into a pumpkin as they bowed to the Frankenthuth Eagles 27-0 at Homecoming, and then a disappointing loss to Hemlock the following week.

Rebounding to roundout an impressive season, however, the Panthers won over St. Charles in the final match of the year.

Home meets for the team were held at Green Acres Golf Course on Dixie Highway in Bridgeport. The team competed against Bullock Creek, Swan Valley, Frankenmuth, Garber and Pinconning in tournament play. Meet wins are determined by adding the scores of the 5 individual team players together, the winner being the team with the lowest total score. Although there are 13 members on the team, only 5 are allowed to participate in each meet. The 5 who are to play are determined by using the lowest practice scores from practice play the preceding week. According to Junior Tim Zuelling, the toughest match of the season was against Swan Valley, while the Panthers' best performance was had at the Bullock Creek match.

When asked what changes she would like to see made for the 82-83 season, Junior Anne Maeder commented "More meets--definitely!"

Eager for a fresh start

Although the boys Cross Country team had a disappointing season, the Harriers are eager for a fresh start. Coach Chuck Rubino was very pleased that 15 members participated this season. Varsity Cagers Cut Short

Girls Cap Season

The Varsity Team dropped a dismal 0-8 season this year after finishing 2nd at District Finals last year. Nine weeks into the season, after bowing to Millington Cardinals, the girls turned in their uniforms. The reason cited was a player-coach dispute. Coach Clement and Athletic Director Holes did not comment.

By taking 4th place in their league, the girls' track team met the goal they set at the beginning of their season--to be competitive. Overall record for the cinder-women was 7-6; league record was 4-3.

The Panther Cindermen tried once again to post a fine season, but tripped before they had a chance to prove themselves. Runners, jumpers, hurlers and vaulters all had trouble getting off the ground as the track team posted another winless season. To snap the jinx, the Panthers tried a new coach, new uniforms and a new approach--none of which was the ticket. In time the Panthers will improve and gain experience to boost the '83 team to a winning season.

CLOSING

Student

This was a terrific year at Birch Run High School. The school year started with a bang as pep assemblies' attendances reached an all-time high. Spirit had finally revived.

From there the spirit continued to climb as NHS threw dances, put on Almost Anything Goes, and participated in the Jump Rope for Heart. Homecoming was a huge success as crowd attendance soared into the thousands. While the football team led us on the field, Pep Club led us in the stands, finishing the school year with a 7-2 season.

We spent the winter months cheering the basketball team and started dreaming about the summer months that lay ahead. Both our volleyball and wrestling teams brought home the TVC titles in their divisions respectively.

Our championship Forensics team brought home a 3rd place state trophy and Chess Club participated in the National Tournament in Pennsylvania. Staffers on the Golden Torch brought two prestigious hon-

ors home from the Michigan Interscholastic Press Association held at CMU.

Spring found BR again on the state map as the Varsity Baseball team was ranked #1 in the state for three consecutive weeks by the "Detroit News". Finishing 4th in the league, girl's track had a re-building season.

Overall, the 1981-82 school year was one of high spirits, champions, and participation.

Clockwise, top left: One of the main pep assemblies this year was Keith Stowell and his band. Next, The senior class on their way to winning Almost Anything Goes. Rose Jacobs "digs" volleyball. The Varsity Baseball team celebrates another victory! Darrin Rosenbrock consintrates as he prepares to make a move. Mrs Thomas's Freshman class hams it up.

Yearbook

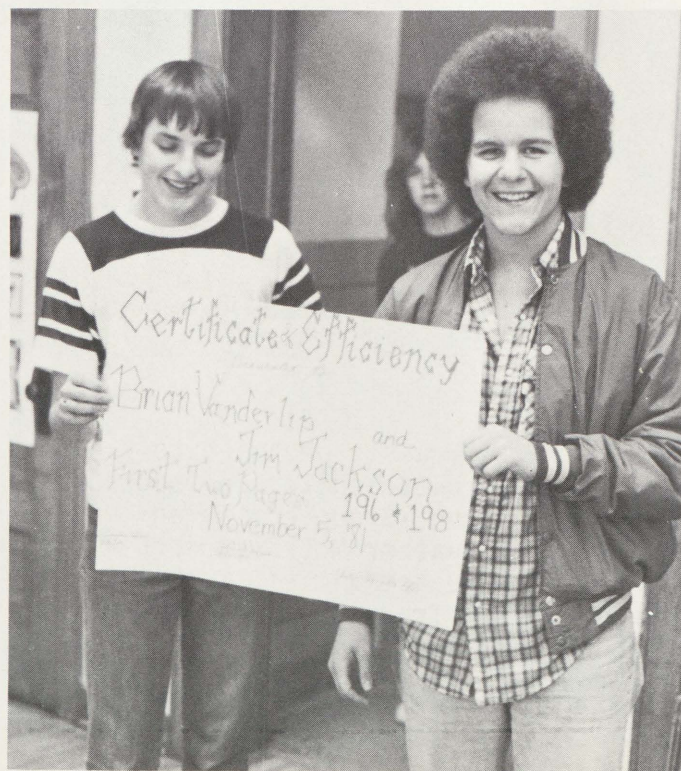

Expansion was the best reason to buy a 1981-82 yearbook. The yearbook this year consists of 224 pages, compared with 1980 which had only 160 pages and 1981 which had 184. This is the largest yearbook ever published by Birch Run High School.

The Panther Tales staff is a member of the Michigan Interscholastic Press Association. Panther Tales is printed by the Inter-Collegiate Press Company of Shawnee Mission, Kansas. The service representative, Kris Kirby, works from the service office in Mt. Pleasant, Michigan.

Headlines for the book are done by staff members using Geo-type dry transfer letters. Body copy, captions and page numbers are done on an IBM Correcting Selectric II typewriter.

Much like the home-coming football game, the prom also had one of the biggest turn-outs that Birch Run has seen in a long time. One hundred four couples attended the prom, with three couple chaperones. "The reasons for such a successful turn-out included the reasonable price, closeness to home, and the option of semi-formal attire," commented Junior class advisor, Mrs. Sue Ryan.

The prom was held on Saturday, April 24 from 6 o'clock until 12 midnight at the Candlelite Inn. The theme was

Prom Well Attended!

"These are the best of times." Colors for the prom were pink and white and music was provided by DJ Brad Melburg from Rush Productions.

Beginning upper left and clockwise: Brenda Black with escort John Slemp and Trent Lucier and Joanne Beam dancing to the music. This picture says it all as Jason Yatsevich and Joanne Dundas show the true meaning of prom night. Chris Switalski and Bob Neville caught sharing a quiet moment together. Brian Forester with Ann Worden and Tammy Nass accompanied by Larry Engelhart enjoy the best of times. Mark Walentovic and Sharon Walling caught up in the excitement of the evening.

The road not taken will always be a curious one. In the future there will always be a choice to be made as to which road to travel. This 1982 annual can only portray the past roads as we have seen them. We hope you enjoy this yearbook as it helps recall the memories that occurred throughout the year.

We would like to thank the students who have purchased the yearbooks and helped make it a success. Our thanks also to Mr. Kris Kirby, our representative, for always being available and to Inter-Collegiate Press for publishing our book. Also, thank you to Mr. Bob Hillier for his tremendous help in our photo department.

I would like to extend a special thanks to our staff members for making the year enjoyable and to Ms. Linda Davis for making the whole book possible. She is a sensitive person to other peoples' needs. Ms. Davis is always available to lend a hand whenever there is a decision on which road to travel.
